SEATTLE LAW DEPT RELEASE COPY

Upon our arrival we contacted Witness/ [REDACTED] (staff) and Victim/ [REDACTED] who relayed the following:

Arrest/ [REDACTED] and [REDACTED] are patients at NAVOS on Involuntary Holds. [REDACTED] was recently placed on restriction due to his assaultive behavior towards patients and staff members. [REDACTED] was being visually monitored by [REDACTED] and one other staff member.

[REDACTED] was on the third floor hallway speaking to a staff member when [REDACTED] began running towards him. [REDACTED] approached [REDACTED] and un-provokingly began repeatedly punching him in the back of his head. [REDACTED] and other staff members quickly grabbed [REDACTED] by the hand when he began pulling everyone to the floor. While on the floor, [REDACTED] attempted several more times to kick [REDACTED]. [REDACTED] was eventually restrained and placed in isolation where he continued to yell and make vague threats towards staff.

[REDACTED] advised he was unsure how many times he was punched and kicked. [REDACTED] advised he was dazed but did not lose consciousness. [REDACTED] advised his face was painful to the touch, but there were no visual injuries observed.

According to staff, [REDACTED] has assaulted staff and other patients on numerous occasions. Staff also advised [REDACTED]'s behavior is not due to his mental condition. Staff advised they would speak with their supervisors requesting [REDACTED] not be allowed to return.

A routine computer check indicated [REDACTED] had an outstanding warrant out SMC for # 90406283 ASSAULT (sexual motivation) AOB \$2500. The warrant was electronically verified.

[REDACTED] was arrested for assault and the warrant and transported down to KCJ via AMR. The following arrest was screened by SGT BRITT 6770.

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A 72.085)
